Andrew: ff tactics is coming to the iphone
Andrew: ill bet your super fuckign jealous
me: I would be if I didn't already have a patched version on my netbook
me: pwned
me: also Andrew Sullivan just linked to my VF piece
Andrew: its a funny one
Andrew: what netbook did you get?
Andrew: probably a GAY one
me: nah
me: tranny
me: I mean Sony
me: Vaio
Andrew: M? W? P?
me: I don't know
Andrew: nice machine anyway
me: yeah, I can run Morrowind on it
me: and regular counterstrike
Andrew: and a psx emulator apparently
me: yep
Andrew: hey, if you switch to linux, it wont run any of that
Andrew: convinced?
me: YES
